- (1) File must be delivered in single pages or printer's spread. (2) Files must include 0.125" bleed, fonts converted to outlines, and 300 dpi. (3) Individual files must be properly labeled: "cover", "back cover", "page 1", "page 2", etc. (4) For best results, we prefer files in a .PDF format; All QuarkXpress and InDesign files must be exported as PDF.
